

2024 W+H Summer Adventures

Adventure Camp and Camp Funshine Weekly Themes

Week 1 (June 24 - 28): Animal Kingdom

Lions, tigers, and bears, oh my! During this week, campers will take a dive into nature and learn about various animals and the world that they live in by participating in animal themed projects and activities.

Adventure Camp and Camp Funshine Field Trip (June 28): Turtle Back Zoo

Week 2 (July 1 - 3): 4th of July Celebration

Happy Birthday USA! During this short week, campers will celebrate independence day all week long! Our friends at Teammakers will help us end our week with a field day consisting of team building activities and games that will help peak campers' curiosity and test their skills in these STEM centered activities.

Adventure Camp and Camp Funshine Special Event (July 3): Team Makers NJ Field Day

Week 3 (July 8 - 12): Blast from the Past

During this week, campers will travel back in time and experience what life was like before they were born. They will explore many different eras dating back as far as colonial times! Our Adventure Campers will end the week visiting Liberty Hall Museum where dedicated educators will engage campers in hands-on activities teaching them all about the life of a child in the 1700s. Our Camp Funshine Campers will enjoy a visit from museum educators who will use play-based activities to teach them about colonial times.

Camp Funshine Special Event (July 11): A Colonial Life Showcase - Visit from Liberty Hall Educators

Week 4 (July 15 - 19): Treasure Hunt

Grab your map and let's go on an adventure! During this week, campers will create everything they need to start their treasure hunting journey. At the end of the week, our friends from Talewise will come to campus and lead campers in a hands-on presentation where they search for lost treasures. During the presentation, campers will learn about, and experience, experiments about air pressure, chemical reactions, transfer of energy, physical explosions, and more!

Adventure Camp and Camp Funshine Special Event (July 19): Talewise Science Show - Adventures of the Lost Treasure

Week 5 (July 22 - 26): The World Around Us

The world is a giant place full of discovery. This week, campers will participate in activities to help learn about the world we live in. They will dive into the solar system, plant life, and all other types of discovery. Adventure Campers will end their journey with a visit to Liberty Science Center where they will be able to explore all that LSC has to offer. They will also have a planetarium show in their iMax theater. Funshine campers will end their week with a visit from LSC's educators where they will partake in a science "circus!" Campers will learn all about electricity and explore how forces affect different objects in this hands-on science show.
